Hello Mr Rowell,

I received these comments from the Tree Officer regarding the above application. I would like to invite you to withdraw your application as the trees are not a part of a TPO and as such, do not require our consent.

Could I request, if agreeable, explicit confirmation of approval to withdraw the application **at your earliest convenience?**

Kind regards,
Harry

Planning reference: **R/41/22/T**

I visited this location on 24th March 2022. I was able to undertake a close inspection of the bird cherry (applicant's reference 0QA8) and weeping ash (applicant's reference 0QAA).

I have undertaken a desktop review of Tree Preservation Orders which may affect this plot. My understanding is that only TPO/R/3/57 could apply. Whilst the copy of supporting Schedule made available is of poor quality, I am confident both trees would not have been established at the time that Order was made (1957). Therefore, I conclude our consent to carry out the proposed work is not required.

My recommendation is that the applicant be invited to withdraw their application and advised to proceed without further recourse to this Authority.
