Dear Mrs Johnson,

Thanks for your email, the proposed cladding will only be on first floor level and there will be some on every elevation.

Please find attached drawings of our property and I have roughly shaded the areas to be clad, but it is probably clearer to look at the Squaredale quote and the plans together to see exactly where the cladding will go. There is not a drawing of the north facing side of the property but this is the right hand piece with just one window in it shown on the Squaredale quote.

I hope this is all clear, please let me know if not.

Kind regards,

Jeff Russell

Mr Russell,

Can you confirm that the proposed cladding will be on all elevations?

Also, please confirm if the proposed cladding will be on ground and/or first floor level.

If you have any questions, please let me know.

Thank you,
Mrs Johnson

Dear Mr. Crowther,

Further to your email of today, please find attached Site Plan as requested.

Please also find attached quotation from Squaredale which shows the areas the cladding is to be fixed to.

Please let me know if any further information is required.

Kind regards,

Jeff Russell
