Dear Ms Malik

Thank you for your letter dated 12th January 2021.

Please find attached a revised Block Plan showing dimensions from the proposed extension to the site boundaries. I recently rang your offices to advise that my Client now also wishes to raise the roof height of the existing garage with brickwork to match existing.

I hope that the revised drawing as attached to reflect this change can be included in the current application.

I look forward to hearing from you.

Kind regards

Steve
