Dear Sirs.

May I kindly refer you to your Decision Notice dated 26th November 2021 and submit the following plans which I believe now address both the concerns of the Conservation Officer and yourself.

These scale drawings (1:20), (1:5 and (1:1) demonstrate the proposed double glazed windows W1, W2, W3 and W5 only.

You will note that none of the windows are standard and the glazing bars are all applied solid throughout.

Kindly consider my resubmission and advise me of your acceptance or otherwise. Alternatively, should you require any additional information, please feel free to discuss these drawings with Nathan Smith, managing director, at Wandsworth Sash Windows.

Kind regards
