Hi Sian,

That's okay, I hope you're alright now. I didn't realise you were waiting for the other elevation. I've added it now, updated drawings are attached.

Let me know if there are any issues that need addressing.

Kind regards,
Paula

Dear Sir

Thank you for your email, however as you are proposing a rear extension and a porch to front a dimension would be required from the rear extension to the rear boundary and from the porch to the front boundary and both side boundaries. With your permission we can add these for you.

Kind regards

Sian
