Can you please provide an Arun District Council Planning reference number?

Thank you,

Mrs Johnson

In reference to planning application CW/CH/PLAN/20 we would like to raise two points.

First the extension over the garage. Will the windows be situated at each end? In the future we will be applying for planning permission to build over our garage and if the windows were on the side our extension would block them.

Second. The planning application states over the garage.

Originally two garages were built adjoining each other between 47/49 the full length of the house.

However number 47 changed the back half of their garage into a living room. On this premise do we conclude that as planning permission is for over the garage the extension will only extend to half the length of the house?
