DDM4	D DM4 Extensions&alter to exist builds(res and non-res)
DSP1	D SP1 Design

[Rustington Neighbourhood Plan 2014 Policy 2](#) Housing Design

PLANNING POLICY GUIDANCE:

NPPDG	National Design Guide
NPPF	National Planning Policy Framework
NPPG	National Planning Practice Guidance

CONCLUSIONS

PRINCIPLE

In this case, the key policies are D DM1 and D DM4 of the Arun Local Plan. Additionally, Policy 2 of the Rustington Neighbourhood Development Plan.

Policy D DM1 sets out 13 design aspects of which applications should be assessed against. These include: Character, Appearance, Impact, Innovation, Adaptability, Crime Prevention, Trees, Public realm, Layout, Public Art, Density and Scale.

Policy D DM4 sets out criteria for which applications relating to extensions and alterations of existing buildings must be assessed against. They generally seek to minimise the impact of the proposal on the character of the host dwelling, its neighbours and the locality.

Policy 2 of the Rustington Neighbourhood Development Plan states that development proposals will be supported providing that their scale, density, massing, height, landscape design, layout and materials reflect and enhance the established character of the area.

DESIGN AND VISUAL AMENITY

The proposed front porch will be visible within the street scene as a result of its siting on the Western elevation of the host dwelling. Whilst it is noted that there are no examples of similarly designed porches on adjacent dwellings, the locality is host to a wide variety of styles of front extension. Furthermore, this element of the proposed development is considered to appear subservient to, and well integrated with the host dwelling, due to its design and scale.

The proposed rear extension is not visible within the public realm, due to its siting at the rear of the host dwelling allowing it to be screened by built form. It is considered to appear subservient to the host dwelling due to its modest scale, and design.

The proposed development is considered to be in accordance with D DM1, D DM4(a) and (b) of the Arun Local Plan.

NEIGHBOURING RESIDENTIAL AMENITY

The proposed development is not considered to result in any significant overshadowing or overbearing impact upon the occupiers of neighbouring dwellings. This is due to the scale of the proposed extensions, and their separation distances from the application site boundaries. The majority of the proposed rear extension is 2.8m high, and its sited approximately 2.5m from the Northern boundary of the application site, which is considered to be sufficient to prevent any significantly harmful impact. With regard to loss of privacy to occupiers of neighbouring dwelling, due to the single storey nature of the proposed development, there will no change in the views available from the application site.

The proposed development is considered to be in accordance with D DM1(3) and D DM4(c) of the Arun Local Plan.

SUMMARY

The proposed development is deemed to accord with relevant development plan policies and as such is recommended for approval subject to the following conditions.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may

arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).
- 2 The development hereby approved shall be carried out in accordance with the following approved plans:
 - Block Plan & Roof Plan - 5001/4 - Feb. 2020
 - Proposed Plans - 5001/1 - Feb. 2020
 - Proposed Elevations - 5001/3 - Feb. 2020
Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM1 of the Arun Local Plan.
- 3 **INFORMATIVE:** Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
