Proposed building work at 8 Acre Close Rustington.

This property has already been extended at the rear of the property and now the owner proposes to build a dormer in the roof and extend the front. This will block natural daylight to our property 9 Acre Close and take away our privacy. We have lived here for thirty years and we feel that any alterations to the roof will not be appropriate within the close.

9, Acre Close,
Rustington,

Yours sincerely
