Dear Mr Shaw

Thank you for your email, the shed floor plan needs a room label with your permission I can add that for you. The heritage statement needs to assess the history and character of the building including its listed status and justify the proposed works in terms of their impact on the heritage asset. Please contact the council directly for more information of this if required.

Kind regards

Sian

Dear Mr Shaw

You would have previously received an invalid letter from Arun Council, however please ignore this as some points are incorrect. I have been in correspondence with Lisa Coney the enforcement officer and she has advised that the application cannot progress until the following is received:

1. The application must also include a new shed in the outside amenity area to the holiday let. Therefore, a new site plan & details of the shed must be requested & the description changed.
2. You have completed the wrong application form. Please resubmit as a Full application. (Listed building consent is not required as requested in the previous letter)
3. This application may be CIL liable, please complete and return the Form1 CIL Additional Information. The form and further information about CIL can be found on the website: www.arun.gov.uk/cil
4. Please annotate/title the plans to clearly state whether they are showing existing or proposed.
5. Please submit 1 electronic or 3 paper copies of a Heritage Statement.
6. The red site outline must include the access to the site from the public highway. As the address given is Palm Cottage please outline the whole site in red. Please review and amend accordingly.

Please send all additional information to this email and myself and Lisa will be able to validate the application.

Kind regards

Sian Eggington
