Hi Harry.

I have objected to the planning application above but I wasn't able to upload photos so you can see how it will affect us. The proposed garage is two storey and will be built directly behind my house right to the boundry.

When we moved to the property over 7 years ago, we completely redid the garden to give us an area to enjoy and socialise. The garage is going to hugely impact on that. Apologies for emailing, but I don't think

Adrian Fielding
