Dear Ms L Galloway,

Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended) - Article 9

Application for a non- material amendment following a grant of planning permission R/159/13/ for amendment to Area 1, 'Catslide' section of roof to rear elevation to be adjusted to lower pitch. Rustington Hall, Station Road, Rustington,

I refer to your recent application for a Non Material Minor Amendment. From the information submitted I am of the view that the proposed revisions do not result in a material change to the originally permitted scheme under R/159/13/PL and that a further planning application is therefore not required.

The approved drawing for this non-material amendment is 11046T/01ELEVS Revision 07 dated 09.13.15

The revision permitted is:

Amendment to Area 1, 'Catslide' section of roof to rear elevation to be adjusted to lower pitch.

I trust this information is of assistance to you.

Yours sincerely

Karl Roberts
Assistant Director Planning & Economic Regeneration
