20 APR 2022

Dear Mrs Cargauer.

We are disappointed to hear about the planning application for the Windmill Pub. It came as a total surprise to us and a lot of people, and only by word of mouth.

The traffic problems are obvious, as they are so bad now, plus the noise etc!-

If there is a need for this sort of premises surely there are more suitable sites where these problems don't exist.

Yours Sincerely -
