Pollard one Lime tree

4 In pursuance of their powers under this Act and these Regulations the Council REFUSE consent for the operations described in the application and plan for the reasons stated.

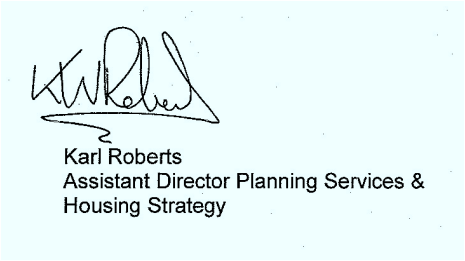

REASON 1 The Lime tree is a feature in the locality and appears to be in adequately sound and healthy condition. The pollarding of the tree in the manner proposed would result in an excessive reduction of the trees amenity value, detrimental to visual amenities of the locality and thereby would be in conflict with policy GEN7 of the Arun District Local Plan.
