Under section 211 of the Act, the outcome of your application will either be that the Council:

- consider it necessary in the interests of amenity not to permit the proposed works and so will make a Tree Preservation Order (TPO)
- decide not to make a Tree Preservation Order and inform you within 6 weeks from the receipt of the notification that the proposed works can go ahead within 2 years of the date of the decision.
- decide not to make a Tree Preservation Order and allow the 6 weeks for determination to expire, at which point the work can go ahead so long as it is carried out within 2 years of the date of the notice.

Finally, can I remind you that it is a criminal offence to carry out works to trees in a Conservation Area without first having the Council's consent. The penalties are the same as those for contravening Tree Preservation Order (TPO), for example the owner or anyone who cuts down a tree is liable, if convicted in the Magistrates' Court to a fine up to £20,000.
