☐ Advice	☐ Objection						
☐ Modification	☒ No Objection						
☐ More Information	☐ Refusal						

West Sussex Joint Minerals Local Plan (July 2018)

The proposed development site does not fall within a designated Mineral Safeguarding Area and is not of a scale that would be considered to necessitate the investigation of mineral extraction. For this reason, no mineral sterilisation would occur and, as a result, the Minerals and Waste Planning Authority would raise **no objection** to the development on these grounds.

West Sussex Waste Local Plan (April 2014)

The decision maker should be satisfied that the proposals minimise waste generation, maximise opportunities for re-using and recycling waste, and where necessary include waste management facilities of an appropriate type and scale (Policy W23).

Edward Anderson
