Hi Anita,

We can of course agree to this extension of time until the end of the week (22.05.20). Is there a form we need or is this email sufficient?

Many thanks

Colin

Hi Chris,

Thanks for your assistance. Unfortunately my Team Leader has been on leave for the last couple of days so hasn't been able to sign off the decision. Please can you agree to an extension of time on the application until the end of this week 22-05-2020 to allow time for him to release the decision letter?

Regards
Anita Gardner

Hi Colin,

I hope you're well? We had some professional photos done of the gardens at Hurst Road on Friday. Please see below Dropbox link to forward to Anita Gardner. We thought it would be nice for her to be able to see the finished product now that the site is finished.

Hi Colin,
Thank you for the submitted plan which I will substitute for the original. It would be helpful to have a few photos to upload against the application if that is possible.
Thank you for your assistance.

Hi Colin

If Anita would like photos I can get tomorrow the gardens look fantastic.

Best Wishes

Mike

Hello Anita,

Thank you for your email. We hope you are well and are grateful for your continued work on this project. Please find attached a pdf from the landscape consultant detailing the plant and pot sizes and plant numbers you requested.

I'm afraid I don't have any photographs at the moment but I imagine it is possible this can be arranged if required. Hopefully this is sufficient for now and we can avoid the requirement for an extension of time but please let me know if this is not the case.

Many thanks and we look forward to your confirmation the enclosed is acceptable.

Kind regards

Colin

Dear Mr Button,

Please can you advise when the additional planting details are likely to be submitted for consideration?

Do you have any photographs of the planting undertaken?

Can you let me know by lunchtime tomorrow what the expected timeframe will be so that we can agree an extension of time if necessary?

Regards

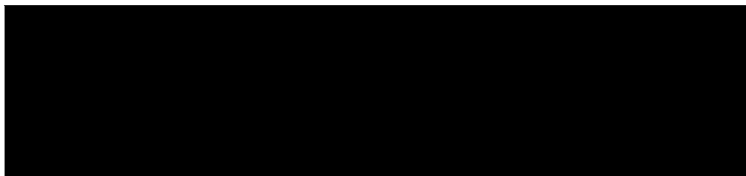

Anita Gardner
