Dear Ms Hodges.

Thank you for the help in contacting Mrs Barnard, have now carried out my site visit. I was writing to query an inconsistency that appears to be shown on the proposed elevation plans. The front elevation shows the garage roof to be kept at existing height but the side (southern) elevation shows the roof raised to be aligned with that of the proposed extension.

Could you please confirm if the roof over the existing garage is going to be raised?

Many thanks

James Smith
