Planning Control objection

Our name and address

S and C Kislingbury - 41 Jervis Avenue Rustington West Sussex BN16 2AS

We write regarding property number

33 Hawke Close Rustington West Sussex.

The new owner has recently had constructed a roof extension to this property.

It is an absolute eye sore and has three full size windows overlooking our property with clear glass not opaque glass .

Has he permission to do this. ?

We have lost all of our privacy in our bungalow ie

We are over looked in our garden.

We are overlooked in our conservatory.

We are overlooked in our kitchen.

We are overlooked in our bedroom.

Can you please request the owner to install frosted glass in these windows.

We have lived here for many years and are now both 76 years old.

It is a lovely friendly community but as he has also converted the property next door number 34 Hawke Close with the same windows the developer has ruined the lives of the whole community.

At 76 we will have no alternative but to move if frosted glass is not installed as our lives have been completely destroyed by no privacy.

In our road number, 45Jervis Avenue, has already moved. Another family in Hawkes Close had their bungalow up for sale and our 86 year old neighbour is also very distressed by this situation.

No doubt number 33 Hawke close will soon be up be up for sale and the owner will move elsewhere and destroy the lives of other people in this area.

When he constructed the roof extension on number 34 Hawke Close residents requested frosted glass should be installed - he made the excuse the glazier put the wrong glass in. Obviously not true, as he would have installed frosted glazed units this time.

Arun Council is a marvellous Council keeping the area beautifully clean.

Wonderful flower displays in the village and surrounding area which keeps the community happy.

Surely there must be something the council can now do to prevent one person ruining the lives of so many people in Jervis Avenue and Hawkes Close and no doubt in other areas elsewhere in the future.

Please , Please insist at he very least that clear glass in number

33 Hawkes Close is removed and replaced with frosted glass if not the whole construction dismantled.

S and C Kisingbury
