Dear Mr Acklan,

Thank you for your email.

Unfortunately I still require the exact measurements, the previous applications have never actually provided the exact measurements so I am unable to get the information required from them.

You will not have to resubmit the application if you provide the information by 26th January, after this date the application will be considered invalid.

If you need any assistant then please do not hesitate to contact me.

Many Thanks

Charlotte Burrows

Sorry to be a pain forgot to highlight the application is to pollard back to previous pollard cuts as has been pollarded in the past.  
I hope this help and that I don't have to re submit a application.  
Many thanks Gavin
