Dear Ms Moore

LDC 66 The Street Rustington

Thank you for your letter of 8 April.

The application was valid when made, no council can invalidate on the basis it seeks to persuade that the description be amended, nor that it seeks further evidence.

The applicant does not agree your proposed change to description, and does not believe it is necessary to provide any further evidence. Unless the council possesses evidence of its own to contradict the applicant's case, it is considered it possesses sufficient information to direct its mind to the lawfulness of what is proposed.

Yours faithfully
