Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Demolition of existing garage & store on existing dwelling & construction of 2 new dwellings in rear garden.

6 Manor Road Rustington

Thank you for your internet representation made on 6th August 2019 which has been recorded as '**an objection**' with the comments as follows:

Once again I have very strong objections to the building of 2 properties in the garden of no. 6 Manor road. Main concerns are traffic as my previous email stated. At certain times of the day the traffic is very heavy and trying to get into our own drive can be blocked. It is very worrying as we have a school in Old Manor Rd and an old peoples home in Manor Rd that at times need emergency vehicles to attend not forgetting the allotments as people park their cars in Manor Rd. As I didn't get any feed back from my last email I once again raise the concern regarding Asbestos that could be in the old parts of no6 that are to be demolished. Once again I will add that my husband and myself are both elderly and find this whole thing very upsetting not only for us but all our very caring neighbours.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
