Planning Applications

Reference

R/75/22/HH

26 APR 2022

To whom it may concern.

I oppose the planning application for 10 Acre Close to alter the construction increasing the roof ridge height line extending roof south end, changing to two storey building from North to South, blocking sun & light with dormer on east elevation can be seen from windows of no. 9 over-looking. This two storey building is now developing into a two storey house.

Acre Close is currently all bungalow's, this construction would change the area, the foundations are not sufficient for extra floors and interior walls are not strong enough, weight bearing.
