

# Conservation Area Advisory Committee

Meeting Date : 12 May 2014

| Ref                                                                                                 | Description                                                                                                                                                                      | Address                                                                  | Design award |
|-----------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------|--------------|
|                   |                                                                                                                                                                                  |                                                                          |              |
| <u>R/77/14/PL</u>                                                                                   | Construction of extension to south side of church. This application affects the character and appearance of the Rustington Conservation Area (resubmission following R/188/13/). | Church of St Peter & St Paul<br>The Street<br>Rustington<br><br>BN16 3NR |              |
| Comments: <i>Comment</i>                                                                            |                                                                                                                                                                                  |                                                                          |              |
| Suggested Conditions: <i>Finish work on new extension should match exactly the existing quality</i> |                                                                                                                                                                                  |                                                                          |              |
