Anita

Thank you for your response. Have spoken to our client and he would like to permit the extension until 07-07-2017. As you said, would be greatly appreciated to be kept informed of any comments from Environmental health or any other possible conditions.

Thank you for your help.

Kind regards

Josh

Dear Mr White,

I apologise for the delay in replying to you, but I have been away from the office and have not yet had an opportunity to look at the application in detail. I have a significant case load and am dealing with applications in date order and very close to or on their expiry dates.

With regard to your application I can advise that I am awaiting the comments of the Environmental Health officer. If I need any further information I will come back to you. However since the application expires tomorrow I need to request an extension of time to facilitate the response from Environmental Health. I would be grateful for a 10 day extension until 07-07-2017. The application will be considered at officer level under delegated powers so will not need to be scheduled onto the monthly committee cycle.

Regards

Anita Gardner
