Dear Sir/Madam,

Application under Regulation 3 of the Town & Country Planning General Regulations 1992 for erection of an acoustic fence & installation of an external play area. This application will be determined by the WSCC.
Summerlea Community Primary School, Windsor Drive, Rustington,

Thank you for your recent application as above. I am able to inform you that this Authority **has no objection**.

The officers report and internal consultee responses can viewed on our web site following the link below.

The applicant shall provide a Noise Consultant's report to predict the impact of noise from the playground at the nearest noise sensitive location & propose mitigation measures to prevent significant impact on the amenity of the residents of adjacent premises. Consideration should be given to reducing the current noise impact of playground noise on residents by reducing the hours of outside play and the number of children at play, or a combination of both until full and/or alternative mitigating measures are in place.
