Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposal is for a loft conversion to the existing bungalow, including the construction of a flat-roof dormer extending across the rear roof slope and wrapping around onto the side roof slope to provide additional habitable accommodation within the roof space. Rooflights are also proposed to the front, side, and rear roof slopes to provide natural light and ventilation. The dormer will be set back a minimum of 200 mm from the eaves where applicable and finished in materials matching the existing roof covering. The rooflights will be installed flush with the plane of the roof. No alterations are proposed to site access, boundary treatments, or drainage, which will remain as existing.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is in lawful C3 (dwellinghouse) use and has been continuously occupied as a single private residence. The existing bungalow is lawful and not subject to enforcement action. The proposed works relate solely to the enlargement and alteration of the existing roof space and do not involve any change of use of the site.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed development falls within Classes B and C of Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

The proposed flat-roof dormer enlargement is permitted under Class B, as it does not extend beyond the plane of the roof slope fronting a highway, will not increase the height of the existing roof ridge, and will be set back at least 200 mm from the eaves where applicable. The resulting additional roof volume created by the dormer extension will remain within the applicable limit of 50 m³ for a detached or semi-detached dwelling.

The proposed rooflights to the front, side, and rear roof slopes are permitted under Class C, as they will not project more than 150 mm beyond the plane of the existing roof slopes and will not exceed the height of the existing ridge.

External materials will be of a similar appearance to those of the existing dwelling.

As the proposal satisfies all relevant dimensional, locational, and material requirements of the GPDO, it constitutes permitted development, and a Lawful Development Certificate should therefore be granted.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
☐ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.
