Dear Mr Shaw

Further to our conversation re the above.

As mentioned the ground floor 2207/01/02 shows a gap to the boundary with No.12 of 73 can you confirm if this is 73mm. Secondly, the elevations on 2207/01/01 appears to show a gap of 0.2m when scaled off. If you can confirm the correct on both that would be great.,

As discussed to allow you to look into this could confirm by e mail your agreement to an extension of time for the decision until 22 March 2018 to allow the above to be addressed and the application reviewed by managers

Thanks

Regards

Mark
