Good morning,

Could you please add the dimension to the rear boundary? That is the one that is outstanding.

Kind Regards,
Iqraa Malik

Hi Iqraa,
Please see attached large scale block plan showing distances to boundaries. I hope this is ok? It's the best I can do. If it isn't please can you send me an example of what you require?

Thanks,

Chris

Good morning,

Thank you for your email.

Unfortunately, this application is still invalid as the block plan also requires the dimension from the proposed extension to the rear boundary. Please review and amend.

Kind Regards,
Iqraa Malik
