

GENERAL NOTES

This scheme is subject to Town Planning and all other necessary consents given are only appropriate and subject to site survey. All dimensions are to be taken from the centre of the road unless otherwise stated. This drawing is to be read in conjunction with the following documents and any discrepancies or variations are to be notified to the architects. All queries relating to design of foundations, floor slabs and any structural elements are to be consistent or resolved by the architects. All feasibility studies are subject to full site and building operations shall comply with the (BS) 8000:1989 parts 1-15 inclusive. All design and construction is to be in accordance with the Construction, Design and Management Regulations 2007.
