This is the WSCC highways response to the planning application.

Summary position of Highway Authority.

Further information is required in order to consider the proposal.

Information required:

1. Number of staff employed on-site
2. Average number of staff on-site at any one time
3. Number of staff on-site during peak periods
4. Travel modes used by staff
5. Number of staff who regularly drive to the site and park their car on-site
6. Maximum number of staff parked on-site during busiest periods (survey information taken at the site should be provided)
7. The methodology used to determine staff parking numbers
8. A plan showing space for 50 cycles (space for only 44 cycles is shown on drawing CHQ.11.9647 – PL05E)
9. A plan showing swept-path/Autotrack diagram of fire appliance entering, negotiating and leaving the site

Please re-consult, at which time the Highway Authority will consider the application further.
