Dear Charlotte,

Re: 10 West Mead r/84/19/hh

Your colleague Sian Eggington has been dealing with our planning application for the above property, as she is away I hope you can help.

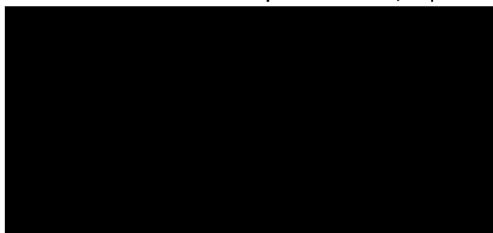

The above planning application included proposals for a garden studio building, our client would like to remove this from the application. Please could you take out drawings 181/3.103 Garden Studio Plan and 181/3.203 Garden Studio Elevations from the application? I have updated the proposed site plan (181/3.001) to show the alterations and attach it with this email.

Any queries please do not hesitate to contact me.

Many thanks,
