Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/84/26/PL
Site Address: Ground Floor 55-57 Sea Lane Rustington BN16 2RQ
Description of works: New commercial kitchen extractor installed on rear facade of outbuilding, alterations to existing windows and doors at rear ground floor level and the erection of a covered walkway structure in rear garden. This application is in CIL Zone 4 and is Zero Rated as other development.

Thank you for your internet representation made on 3rd July 2026 which has been recorded as an objection with the comments as follows:

OWPC84572

I live opposite the side lane where the kitchen and extractor Fan is proposed.
I am elderly and disabled, so not out as much as others. My bedroom faces towards the proposed kitchens, the door of which is only the depth of one car away from the lane. The cooking smells and potential noise would be most distressing.

There is no usable parking for customers, except the five on Sea Lane that are shared with other premises and residents. Cudlow Avenue is a private road and would only allow delivery and trade vehicles to get to the kitchens.

The person from Planning, whose job it is to visit application sites would see straight away, how impossible this is.

Your views as made above will be considered before the application is determined.
