Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/84/26/PL
Site Address: Ground Floor 55-57 Sea Lane Rustington BN16 2RQ
Description of works: New commercial kitchen extractor installed on rear facade of outbuilding, alterations to existing windows and doors at rear ground floor level and the erection of a covered walkway structure in rear garden. This application is in CIL Zone 4 and is Zero Rated as other development.

Thank you for your internet representation made on 9th July 2026 which has been recorded as an objection with the comments as follows:

OWPC84681

As the owners of 51/53 Sea Lane, the property immediately next door to the proposed application we wish to strongly object to the position and termination of the extract/ventilation system for the following reasons. The height and position are on the same level as the roof terrace/garden of the maisonette, 53 Sea Lane, which will be subject to the continual cooking smells and noise generated by the extract and will also permeate into the property. This will substantially reduce the sale value and rental prospects of the maisonette. Our sitting tenant has already stated that they will leave if this planning goes ahead.

Your views as made above will be considered before the application is determined.
