Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/84/26/PL
Site Address: Ground Floor 55-57 Sea Lane Rustington BN16 2RQ
Description of works: New commercial kitchen extractor installed on rear facade of outbuilding, alterations to existing windows and doors at rear ground floor level and the erection of a covered walkway structure in rear garden. This application is in CIL Zone 4 and is Zero Rated as other development.

Thank you for your internet representation made on 10th July 2026 which has been recorded as an objection with the comments as follows:

OWPC84713

I wish to object to this development. I live in the maisonette at 53 Sea Lane, the house next door to 55-57 Sea Lane. The terrace of my property is adjacent to the proposed commercial kitchen. The noise and cooking smells will directly impact my ability to use and enjoy this area. If this development goes ahead my home will constantly smell of commercial cooking. Our home is in a quiet, residential area which is why we chose to live here. I fear the smells created by a commercial kitchen along the noise of cooking, servicing orders and the additional traffic will detrimentally affect the enjoyment of my home. Our roof terrace, which is a main feature of the house would be rendered unusable.

Your views as made above will be considered before the application is determined.
