Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/84/26/PL
Site Address: Ground Floor 55-57 Sea Lane Rustington BN16 2RQ
Description of works: New commercial kitchen extractor installed on rear facade of outbuilding, alterations to existing windows and doors at rear ground floor level and the erection of a covered walkway structure in rear garden. This application is in CIL Zone 4 and is Zero Rated as other development.

Thank you for your internet representation made on 14th July 2026 which has been recorded as an objection with the comments as follows:

OWPC84743

I wish to object to the application. Our property is accessed from the rear of Sea Lane and the most used part of our home is the roof terrace and the conservatory/dining room. The extractor from the kitchen is going to be adjacent to our terrace rendering it unusable due to both noise and odour. Due to the nature of a takeaway/restaurant the hours in which these are in use are anti social and will be at the times we are likely to be home and so our enjoyment of our outside space will be very compromised. Additionally any odours that emanate from the kitchen are going to be immediately outside our bedroom window. There will also be in increased level of traffic from delivery drivers, staff and customers and this will put pressure on an area already short of parking spaces.

Your views as made above will be considered before the application is determined.
