Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/84/26/PL
Site Address: Ground Floor 55-57 Sea Lane Rustington BN16 2RQ
Description of works: New commercial kitchen extractor installed on rear facade of outbuilding, alterations to existing windows and doors at rear ground floor level and the erection of a covered walkway structure in rear garden. This application is in CIL Zone 4 and is Zero Rated as other development.

Thank you for your internet representation made on 16th July 2026 which has been recorded as an objection with the comments as follows:

OWPC84807

We live only a few doors down from the proposed takeaway, approximately 4 properties down on the north side of Cudlow Avenue.

- 1) The inevitable smell created from the takeaway would, with the prevailing SW winds, affect the whole area.
- 2) The inevitable traffic issues that this would cause. The entrance at the west end of Cudlow is a danger at the best of times, we rarely use it as an exit due to the high risk of an accident occurring due to the excessive speed of the traffic and poor visibility.
- 3) The limited parking at the west end of Cudlow Avenue will, inevitably, create potential issues for residents, and also emergency services having clear access in the event of an emergency.
- 4) Increased noise that is likely to occur from the establishment will also be an issue, later into the night. Increased litter, which is also an issue currently, will only, no doubt get worse.

Your views as made above will be considered before the application is determined.
