Dear Mr Fish,

Following our telephone conversation earlier today I can confirm that due to absence for the majority of June I am running behind in the determination of a number of applications. Unfortunately, yours is one such application and as such I would be grateful if you could provide written confirmation of your agreement to an extension of time until the **21st July**. This will allow time to consider the application and discuss it with my team leader.

If a recommendation for approval is to be made it will be necessary to present this application at the next Development Control Committee on the 23rd August. However, this extension of time (if necessary) can be arranged next week. I hope this information is of assistance but please do not consider to contact me should you have any questions regarding this application.

Yours Sincerely,

David Easton
