Dear Mr Dumbrell ,
Further to this Local Planning Authority's consultation response to the above application (your reference WSCC/004/15/R) I have received amended details from the Environmental Health officer. Please can these be considered as part of this Authority's response and be substituted for the comments originally made.
Regards
Anita Gardner

Dear Anita,

As discussed, Environmental Health would like to amend their comments on this application. To ensure that the worst affected properties are protected by the acoustic fence, the fence should extend from the proposed position in the corner of the premises (in front of 26 Orchard Park) all the way down to 2 Orchard Park.

Regards

Fiona
