Dear Kathryn.

Following our conversation on Friday I will do as you suggest and call you up to find out if you and Hannah Riddle have received my photos in hard copy form which was delivered to The ADC office desk last Thursday.

In the meantime I have attached 1 x photo which shows the view from our bedroom, this being just one of many rooms in our house that will be seriously affected by the installation of three velux windows on the eastern elevation should they be allowed.

Hope I have better luck with sending you 1 x photo than the x 15 I tried to send to you & Hannah last week.

Can you please let me know if it has been successful.

Kind regards.

Mr Mrs . M. Guess
