Dear Sir / Madame

Re—R/91/17/PL Erection of 2 No Dwellings & Garages—The Spires

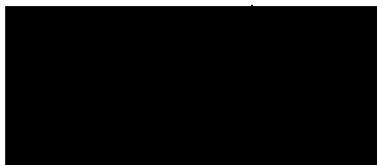

With regard to the above planning application I write with concern to the close proximity of one of the proposed property's to the boundary with my property of No 1 Cross Road.

The distance as shown on the plans for the development is not equal to the distance from the Spires property, I would therefore request that serious consideration be made to move the property further south by at least 4 metres therefore giving a greater distance from my boundary.

I would also hope that due consideration/account has been made with regard to the tree's within the Spires ground which are subject to "TPO's" !!

I trust that due consideration will be made and hopefully adopted with regard to my comments

Yours Faithfully

CW & MM Garwood
