Hiya Daun

Thanks for the reply, the description you mention is totally fine and accurate. In terms of the plans I will take a look at some of the other recommended web sites and order new plans that meet the requirements and get them to you for Tuesday morning.

Thanks for your help and have a good weekend.

Kind regards

Susie Roffey

Ms Roffey,

Thank you for your telephone call yesterday. I have now looked at the plans.

The block plan is the only plan that is not yet correct.

I can't comment from whom you purchased the block plan.

The block plan needs to be at a scale of 1:500 or 1:200, with a north point, one named road and the proposed works clearly highlighted. The block plan you sent to me as a .png needs to be sent as a .pdf as a .png does not scale correctly with the location plan.

I have amended the description to read 'Remove brick wall along the side elevation & extend closed boarded fence, erect closed board fence in front garden from side elevation of house to Mallon Dene'. Please let me know if this is acceptable.

If you have any questions, please let me know.

Thank you,
Mrs Johnson

Good Morning

Following on from my telephone conversation with Mrs D Johnson, please find attached documents as requested...

- 1) A photo of the front view of Broadmark Lane which shows the fence in question which I am requesting I would like to move. This front view does not show the brick wall of 3m which would need to be removed however my previous photos supplied in the original submission show the wall and 3m of land which would be fenced.
- 2) Declaration form, signed and dated.. My apologies for this error.
- 3) The location Plan with the North mark... this I had originally printed to add in the Street Names, however the original as attached will show the North mark but does not have the street names.

You mentioned the maps did not have a scale, both were purchased from one of the approved companies and both show a Metre scale can you advise if these are sufficient or else a further set of maps will have to be purchased.

*The Block plan with the 'Buy a Plan' logo at the top shows my annotation of the proposal..
Extend the existing fence by a further 3m on a north west aspect thus reducing the size of the front garden. This will require 3m of the 30cm high existing wall to be removed to allow for the fence to erected..
as per my already supplied photos and descriptions on the forms.*

I await your feedback, please do not hesitate to contact me to discuss this. [REDACTED]

Regards

Sue Roffey
