Anita,

I write in regard to the aforementioned discharge of condition application. I note that the consultation period ended on the 16th May, however there are no comments received from the Environmental Health / Contamination team publically available.

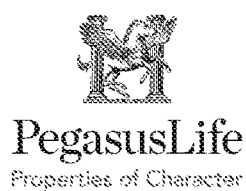

Could you please provide us with these comments, so that in the event that there are some queries or requests for further details these can be resolved within the currency of the application.

Alternatively if you could provide me with the contact details for the relevant person dealing with this matter then I could pursue this matter with them directly.

Kind regards

Ziyad
