Change is coming!

Please be aware that the Building Regulations are being updated - as of 15th June 2022, new applications will be subject to these updated regulations. A transitional period of one year will apply, allowing projects submitted prior to this date can benefit from the current standards, however works must be commenced on site prior to 15th June 2023. Between now and 14th June, our specifications will be updated to allow for the changes.

Please note I am off on Friday's for Masters study

Dear Mr Bryn,

Thank you for providing the amended drawing.

However, the dimension to the rear boundary is still missing. Please amend.

Dear Bryn,

Thank you for providing the additional information.

However, this application is still invalid as the block plan requires dimensions from the proposed extension to the site boundaries. The current dimensions don't display the distance between the site boundaries to the extension. Please review and amend.

Kind Regards

Iqraa Malik

Hi Iqraa,

I hope you are well.

I am writing in regard to application ref: R/94/22/HH, 3 Drewetts Close. I understand the application could not be valid without the Block plan showing dimensions, please find an amended drawing attached.

We are also happy with the amendment to the description, thank you for offering to update this.

Kind regards,

Bryn Garrish
