**Attachments:** 0293(01)06,09-10 Proposed Elevations .pdf; ATT00001.htm; 0293(01)14-16 Existing and Proposed Boundary Wall .pdf; ATT00002.htm

Dear Ms Gardner,

Further to my telephone message earlier today please see attached proposed elevations with amendments to the boundary walls to a white rendered finish with piers, as opposed to brick facing.

Our engineer will be completing the structural calculations as required to issue early next week but I would appreciate confirmation that the change from brick finish to render will be acceptable. This is in keeping with other boundary walls within the area and will sit more comfortably against the rendered finish of the property.

I look forward to hearing from you.

Kind regards

Oliver Brown
