Subject: R/99/12 Amendments to existing dwelling and new boundary walling - 1 Botany Close, Rustington

Dear Sir,

I have noted that the proposed replacement boundary wall adjoins a public footpath to the east and a greensward used by the public to the south I therefore require structural calculations to be submitted as part of the proposal to ensure the walls would be structurally sound. I am unable to condition this requirement.

Without prejudice, I look forward to receiving this additional information within 10 days of the date of this e-mail.

Yours faithfully

Anita Gardner
