Dear Mr Brown,

I apologise for the conflicting advise. Receipt by 22nd June will be fine. The application should then be determined under delegated authority once our engineers have checked the calculations.

Thanks

Anita Gardner

Dear Ms Gardner,

Thank you for your email.

Prior to the application we had specifically asked whether these calculations would be required and were advised that they would not be. However, we can arrange for a structural engineer to provide these for submission by next Friday 22nd June.

I trust that following the submission of these calculations you will be in a position to approve the application under delegated authority.

Kind regards

Oliver Brown

Dear Sir,

I have noted that the proposed replacement boundary wall adjoins a public footpath to the

east and a greensward used by the public to the south I therefore require structural calculations to be submitted as part of the proposal to ensure the walls would be structurally sound. I am unable to condition this requirement.

Without prejudice, I look forward to receiving this additional information within 10 days of the date of this e-mail.
