Dear Sirs

Re: Proposed new hard tennis court for Mr &amp; Mrs R Walker, Mill Farm, Mill Road, Slindon.

We apply for planning consent for construction of a hard tennis court 35.00 metres by 17.50 metres with 2.75 metre high chainlink netting enclosure. The site clearance will involve removing top-soil which will be utilised on site. No trees or bushes need to be removed.

Fencing to the tennis court will be our standard specification which is 2.75 metres high Evergreen PVC coated chainlink netting clad onto angle iron fence posts which are galvanised and polyester powder coated in dark green. The court surface will be porous macadam painted green.

No materials will be removed from or imported into the site in the levelling works.

Please find enclosed a cheque for £265.00 as the application fee plus 6 copies of the planning application, 6 copies each of OS 1:1250 plus and block plan 1:500 and picture of a typical fencing surround as described above which has been accepted previously as sufficient detail.

I trust that this is all of the information you will require and thank you for your time and consideration.

Yours sincerely

Tony Wells
