Dear Sir/Madam

Application for Listed Building Consent to attach a gate into an existing empty gateway from the road into the driveway. It will be set back 1 metre into the property with a side gate for pedestrian access. It will be a single 4 metre wide hardwood hook style gate with matching pedestrian gates. (1 fixed and 1 hinged). All in new oak with automatic sensor to open and shut. This application lies within the South Downs National Park Authority.

The Grange Church Hill Slindon

Thank you for your internet comments made on 10th January 2012 and recorded as follows:

Slindon Parish Council considered this application at a meeting held on Monday 9th January 2012 and has no objection to the proposed wooden bar gate in the existing empty gateway provided that the new gate opens inwards and that the gateway is set back on to the property at a distance that is sufficient to prevent vehicles stopping on the highway.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
