This application should be refused purely on the fact that the notification states it may affect the setting of listed buildings and may affect the character and appearance of the Walberton green conservation area. Allowing this to go ahead is telling every further builders that we don't care for our village settings or listed buildings which make our village a beautiful place to live. If we keep on this course of allowing these developments sooner or later Walberton will join up with Yapton and Barnham to form one massive town and ending what makes Walberton an amazing attractive place to live in.

Your views as made above will be considered before the application is determined.
