Thank you for your internet representation made on 28th December 2024 which has been recorded as an objection with the comments as follows:

OWPC73131

We do not need any more properties built in this area.

Already there is too much traffic running through the village and that's before the two new housing developments have been finished!

our drains are over flowing, the water pressure is awful and more importantly the wildlife that's being disturbed.

There are so many animals, and bats which live and sleep on this land and the land around it, trees are being cut down without any consideration to these animals! I object to this planning application and I hope the Arun council will understand the concerns
